

SCATCHET HEAD WATER DISTRICT

**Resolution No. 2020 - 4**

**Hook-up Removal For Non-Payment**

A RESOLUTION of the Scatchet Head Water District (SHWD), Island County, Washington to establish the collection policy of past due water charges and hook-up removal when the water user declines to pay required water fees in accordance with SHWD policy:

- Customers with locked meters owing more than \$2,000.00 will be mailed a letter stating that their meter will be removed in 15 days if payment for past due water charges is not paid in full;
- Customer will be required to pay a hook-up/connection fee at the rate in affect at the time customer wishes to obtain water and reconnect to the SHWD water system;
- Once the meter is removed and the property is disconnected from the SHWD water system, quarterly water charges and late fee charges will cease;
- Customer will be responsible for paying any past due water charges accrued before disconnection/meter removal; these charges will not be dismissed and will be required to be paid before reconnection is established, in addition to the hook-up fee.

WHEREAS Scatchet Head Water District will implement the policy to protect its fiscal interests when hook-ups are sold;

NOW, THEREFORE, BE IT RESOLVED that, effective on June 30, 2020, that the above resolution be approved.
